

# Ham in a Day – January 31st (HIAD)

Sponsored by: Kent County Radio Amateur Civil Emergency Service

## Description

No technical knowledge or Morse code requirements are needed. This class is for anyone who would like to obtain their technician level amateur radio license. Since 2006 more than 500 people have taken this class and passed! The class consists of guided study sessions and hourly breaks followed by the FCC testing session.

\*\*This class uses memory retention.

People who have concentration issues or a learning disability may not do well in this class.
