

Skywarn Closing Script

(Bye-bye Mode)

(Remember to speak slowly and clearly)

Start

Attention all Stations. This is your call Kent County Skywarn Net Control.

The National Weather Service has advised us that the weather conditions in and surrounding Kent County are such that a formal Skywarn net is no longer required.

The Kent County Amateur Radio Public Service Corps would like to thank all stations for their participation and assistance during this net.

If you would like to join the Kent County ARPSC or have questions about Emergency Communications in Kent County Please contact us @ 616 632-6263 or info@kcraces.org

I will now return this repeater to normal use. This is your call, Kent County Skywarn Net Control, clear.

End of script
